

BLUE HILLS PREPARATORY

2021 Newsletter

26-11-2021

Dear Parents/ Guardians

Please take note of the following important information:

Covid 19 Update

- As of 26-11-2021 the Prep does not have any positive Covid 19 cases to report.
- We do want to encouraged our parents to continue to be careful as the numbers are on the increase.

Donation of Plants and Trees

- As of January 2022, the Prep will move into our brand-new premises. We are all so excited about having our own space for our learners. We would like our children to enter a beautiful school both inside and outside. We humbly request that parents donate flowers, plants and trees over the next week so that our school will look amazing when our learners arrive in January. Thank you, my dear parents. We appreciate you and together we can make our new school amazing.

Concert

- **Our concert is on Sunday the 28th at 10H:00AM. We kindly request that all learners participating in the concert be dropped off at 08H:00AM on Sunday so that we can do a rehearsal.**

Yours in education

Mrs. Maharaj

(Headmistress)
