

BLUE HILLS PREPARATORY

Newsletter

Dear Parents/Guardian

03-11-2021

Please take note of the following:

- We are at the end of the academic school year and despite the pandemic, that we all have been enduring, our learners have worked diligently and have had a productive year. Our learners have persevered and have emerged victorious in the face of adversity.
- Report Cards are available on the Edana App for parents who have successfully met their financial obligation. Please use the following code to gain access to the Reports on Edana: 664786. For parents who have been locked out of accessing Report Cards due to non-payment of fees, it will take 24 hours for the system to unlock the Report Card once payment has been made.
- We successfully held two school functions, namely Awards Day and our Grade 7 Farewell.
- I would like to thank our parents for working collaboratively with us this year. Together we have made a real difference in the quality of your child's education.
- I am so grateful and thankful for having amazing parents such as you.
- Our learners have had to adapt to much this year but they have proven to be resilient and we are really proud of their endeavours.
- My dear parents may God keep you safe during the festive season and please do enjoy some quality time with your children.
